

PROFILE

I am a student of Architecture with a keen interest in media development. I am an idealist in my outlook on humanity but a realist in my work. I am a creative at heart but with a highly pragmatic design ethos. I see the world for what it is but also what it could be, and hope to partake in designing that future through architecture, digital media or any form of human-oriented design.

EDUCATION

Masters of Architecture National University of Singapore	August 2023 - Present

EXPERIENCE

Architectural Trainee DP Architects I worked on an array of projects including competitions, an Integrated Development in the Design stage, a retail hub in the design stage, good class bungalow in the construction stage and proposals to potential clients for Addition and Alteration Works. For the commissioned projects, I worked primarily on Revit and aided with minor design elements such as toilets, tiling and facade patterns.	February 2023 - July 2023
Freelance Graphic Designer I designed logos, banners, poster, camera booth frames, product packaging and cards for small businesses that sought my services	January 2015 - December 2020
Ground Response Officer (NS Sergeant 2) Singapore Police Force During my National Service, I worked with a team of Regular Officers, patrolling the streets of a neighbourhood in Singapore. I was a first responder for police calls, and learnt to deal with many types of people and resolve conflicts amicably. I also developed the ability to remain calm and make logical decision in high stress situations. I also performed tasks like ascertaining facts and collecting statements.	November 2017 - February 2019
Intern Hiladt Architects Converted 2D plans and elevations on AutoCAD to 3D models on Sketchup for several terrace houses	January 2017

ACTIVITIES

Student Advisor NUS Students' Political Association As an experienced member of the club, I was council to the executive committee, providing guidance when needed.	August 2022 - July 2023
Communications Secretary (Executive Committee) NUS Students' Political Association As the communications secretary, I oversaw the communications department, that consist of the media team which covers our branding and publicity, and the outreach team which gathers student consensus on national issues through university wide surveys. As an exco member, I was also involved in charting the direction of the club, and guiding newer members in their project planning.	August 2021 - July 2022
Creative Director NUS Students' Political Association As the creative director I spearhead the branding and image of the organisation by designing various things including logos for different events, the website, shirts, as well as videos.	August 2020 - July 2021
Zone Sub-Committee (Publicity) Ridge View Residential College	August 2020 - April 2021
Orientation Planning Committee Ridge View Residential College	January 2020 - August 2020
Bronze Medallion NUS Life Saving I am a certified life guard for swimming pools	August 2019 - November 2019
Students' Council Raffles Institution I was the Orientation Camp In-Charge, as well as a member of my House Committee	February 2015 - November 2016
Empowering Generation Z Founder Own Capacity I started a free tuition programme for underprivileged primary school students in Potong Pasir and Jurong West, and recruited multiple volunteer teachers from my school	July 2013 - November 2016

PROFICIENCIES & SKILLS
